RYAN

SEAN

Do you think that we can buff this out? I mean it doesn't look that bad does it?

RYAN

Oh no. It looks fine.

SEAN

We should exchange information.

Sean hands Ryan his insurance card and ID, it's all cardboard.

Sean gets a call (buzz) on his cardboard cellphone.

SEAN (CONT'D)

Sorry. One second. (picking up the phone) Hi Honey. Funny you should call right now. I was in an accident- No no no, I'm fine. It was just a fender bender. I'm at 3rd and Wilcox. No there's no need for you to come here- You're around the corner? What were you doing at Office Depot?

Sean gestures to Ryan to give him a moment alone. Ryan goes to his car.

RYAN
(Whispering) I'm gonna get my
insurance info.

Ryan goes to his glove box to get his insurance card.

Ryan returns and Sean's there with his wife who's a cardboard cut-out.

SEAN
Honey, I'm sorry. This guy stopped
short. You didn't have to come down
here-

RYAN
Hi-

SEAN
(Holding back his wife.) Now
there's no need to get upset. It
was a accident. Sorry, she's a bit
fired up.

RYAN
No problem.

Sirens can be heard. Ryan spins around to find two cardboard Cops next to a cardboard cop car.

SEAN
(Yelling)Nothing to worry about
officer. It's just a minor
accident.

RYAN
OK this is ridiculous.
